“The purpose of education is not just to prepare students for a living, but to prepare them for life!”

With a great sense of pride and purpose, I welcome you to the School of Liberal Arts at Dnyaan Prasad Global University (DPGU), a place where ideas transcend boundaries, and education prepares minds for a rapidly evolving world!

When we envisioned this institution, our goal was clear: to create a learning environment that celebrates diverse thinking, nurtures creativity, and empowers students to become thoughtful leaders. The School of Liberal Arts stands as a testament to this vision, uniting diverse disciplines and perspectives through its interdisciplinary approach.

Our vibrant department of Psychology with inter-disciplinary subjects like Mass Communication and Media Studies, Global Politics & Governance and Economics, reflect the dynamism of the liberal arts education.

As the founding members, we remain committed to ensuring operational excellence and academic distinction across all facets of the University. Through state-of-the-art learning environment, innovative practices, and global partnerships, we strive to create an ecosystem that enriches your educational journey and prepares you for a successful career in an interconnected world.

We invite you to become part of this journey of discovery and a vibrant community of learners to help us build a future defined by empathy and innovation.

ACADEMIC PROGRAMS

B.Sc. (Psychology): (Honours with Research)

The Bachelor of Science (B.Sc.) in Psychology is a four-year undergraduate program offering insights into human behavior, mental processes, and emotional well-being. Aligned with the National Education Policy (NEP) 2020, it adopts a multidisciplinary and flexible learning approach, fostering critical thinking and practical skills through hands-on experience. Students build a strong foundation in core psychological concepts while exploring real-world applications and contemporary issues. They critically analyze psychological theories and apply them to various settings, including clinical, educational, corporate, and community environment.

Through research projects, psychometric assessments, and analytical tasks, students develop versatile skills that enhance career opportunities in mental health, counseling, corporate roles, and beyond.

Course Highlights:

- ▶ Four-year undergraduate program structured over eight semesters.
- ▶ Follows NEP 2020 guidelines with a multidisciplinary curriculum.

- ▶ Emphasis on critical thinking, research methodology, and practical skills.
- ▶ Integrates theory with real-world applications and contemporary issues.
- ▶ Prepares students for careers in mental health, counseling, education, and corporate.
- ▶ Hands-on experience through research projects, psychometric assessments, fieldwork, capstone projects, observationship and internships.
- ▶ Focus on communication, problem-solving, and analytical skills for diverse professional environments.
- ▶ Emphasis on hands-on experience in broadcast, and digital content creation

Centre of Social Harmony: Where Dialogue Drives Social Change

The Centre of Social Harmony is a purpose-driven platform at DPGU SLA, dedicated to fostering meaningful conversations, empathy, and compassionate interaction among students. It bridges the gap between culture, religion, language, and ideology, creating a cohesive community both on campus and beyond.

Our Purpose:

Break social barriers - meaningful dialogue across diverse backgrounds

Upcoming research in various fields - exploring conflict resolution, inclusivity, and social cohesion

Transformational education - seminars, certifications, and DEI workshops

Creation of policy & advocacy - debates on social justice, equality, and inclusion

Community engagement - partnering with NGOs, governments, and local communities

Who Can Engage?

- ▶ University students
- ▶ Faculty & researchers
- ▶ School students & teachers
- ▶ Corporate professionals
- ▶ Government officials
- ▶ NGOs & community leaders
- ▶ General public

What We Offer?

Workshops: Conflict resolution, intercultural communication, DEI, empathy & bias training.

Courses:

- Foundation of Social Cohesion
- Applied Conflict Resolution Diploma
- Community Engagement for Social Change

Research & Publications: Government-commissioned reports, policy briefings, regional harmony reports

Community outreach program: Consultancy, public lectures, cultural exchange programs & interfaith dialogue

Industry & Community Collaboration

Who Can Engage?

- ▶ CSR partnerships & workforce training
- ▶ Internships & placements
- ▶ Joint research initiatives
- ▶ Grassroot development programs
- ▶ Public forums, seminars & networking

Be a Part of the Change

We, at DPGU SLA, want to create a place where everyone can come together, discuss issues, learn, and make efforts to resolve existing problems within communities.

So, come and join a growing movement that promotes understanding, inclusivity, and real-world impact.

Why Choose **Liberal Arts** at Dnyaan Prasad Global University (DPGU)?
